IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s) : Hodges et al.

Application No. : 10/624,823

Filed : July 22, 2003

Entitled : **ELECTROCHEMICAL CELL**

Docket No. : 104978-5

Group Art Unit: N/A

Examiner: Not Yet Assigned

Commissioner for Patents
P.O. Box 1450
Alexandria, VA
22313-1450

Dear Sir:

Please find enclosed a Revocation of Power of Attorney and Appointment of New Power of Attorney. The attached chart lists the Reel and Frame numbers where the assignments from the inventors are recorded. In addition, a true copy of the original Assignment from USF Filtration and Separation Group to the Assignee is attached. These documents establish the entire chain of title of these inventions from the inventors to the Assignee.

Respectfully submitted,

Date: 12/17/03

George A. Xixis
Reg. No. 38,664

U.S. Patent and Trademark Office; U.S. DEPARTMENT OF COMMERCE

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

REVOCATION OF POWER OF ATTORNEY and APPOINTMENT OF NEW POWER OF ATTORNEY	Application Number	10/624,823
	Filing Date	July 22, 2003
	First Named Inventor	Alastair Hodges
	Art Unit	Not Assigned
	Examiner Name	Not Assigned
	Attorney Docket Number	104978-005

I hereby revoke all previous powers of attorney given in the above-identified application:

☐ A Power of Attorney is submitted herewith.

OR

☒ I hereby appoint the practitioners at Customer Number: ☒ Please change the correspondence address for the above-identified application to:☒ The address associated with
Customer Number:

OR

☐ Firm or
Individual Name
Address
City Country State Zip Telephone Fax

I am the:

☐ Applicant/Inventor.☒ Assignee of record of the entire interest. See 37 CFR 3.71.
Statement under 37 CFR 3.73(b) is enclosed. (Form PTO/SB/96)**SIGNATURE of Applicant or Assignee of Record**Name Signature Date Telephone

NOTE: Signatures of all the inventors or assignees of record of the entire interest or their representative(s) are required. Submit multiple forms if more than one signature is required, see below*.

☒ *Total of forms are submitted.**Revocation of Power of Attorney or Authorization of Agent**

I hereby certify that this correspondence is being deposited with the U.S. Postal Service with sufficient postage as First Class Mail, in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date shown below.

Dated: Signature: (George A. Xixis)

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

STATEMENT UNDER 37 CFR 3.73(b)Applicant/Patent Owner: Alastair Hodges, Thomas W. Beck, Oddvar Johansen, and Ian A. MaxwellApplication No./Patent No.: 10/624,823 Filed/Issue Date: July 22, 2003Entitled: ELECTROCHEMICAL CELLLifeScan, Inc., a corporation
(Name of Assignee) (Type of Assignee, e.g., corporation, partnership, university, government agency, etc.)

states that it is:

1. ☒ the assignee of the entire right, title, and interest; or
2. ☐ an assignee of less than the entire right, title and interest.

The extent (by percentage) of its ownership interest is _____ %

in the patent application/patent identified above by virtue of either:

- A. ☒ An assignment from the inventor(s) of the patent application/patent identified above. The assignment was recorded in the United States Patent and Trademark Office at Reel _____, Frame _____, or for which a copy thereof is attached.

OR

- B. ☐ A chain of title from the inventor(s), of the patent application/patent identified above, to the current assignee as shown below:

1. From: _____ To: _____
The document was recorded in the United States Patent and Trademark Office at Reel _____, Frame _____, or for which a copy thereof is attached.
2. From: _____ To: _____
The document was recorded in the United States Patent and Trademark Office at Reel _____, Frame _____, or for which a copy thereof is attached.
3. From: _____ To: _____
The document was recorded in the United States Patent and Trademark Office at Reel _____, Frame _____, or for which a copy thereof is attached.

☐ Additional documents in the chain of title are listed on a supplemental sheet.

- ☒ Copies of assignments or other documents in the chain of title are attached.
[NOTE: A separate copy (i.e., the original assignment document or a true copy of the original document) must be submitted to Assignment Division in accordance with 37 CFR Part 3, if the assignment is to be recorded in the records of the USPTO. See MPEP 302.08]

The undersigned (whose title is supplied below) is authorized to act on behalf of the assignee.

Assignment

This Assignment is made on the 16th day of January, 2002 by USF Filtration and Separations Group Inc., a Delaware corporation having a place of business at 2118 Greenspring Drive, Timonium, Maryland 21093 ("Assignor") to LifeScan, Inc., a California corporation having its principal place of business at 1000 Gibraltar Drive, Milpitas, California 95035-6312 ("Assignee")

WHEREAS, Assignor and Assignee have entered into an Asset Agreement dated January 2, 2002 by and between Assignor and Assignee (the "Agreement"; capitalized terms not defined herein shall have the meanings ascribed to them in the Agreement), pursuant to which Assignor has agreed to sell the Assets in consideration for the payment by Assignee of the Purchase Price;

WHEREAS, Assignor is the sole owner of the Patents set forth in Exhibit A of the Agreement, which Exhibit A is attached hereto and made a part hereof, and Know-How;

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to the Patents and Know-How:

NOW, THEREFORE, BE IT KNOWN, that for and in consideration of the payment of the Purchase Price and other valuable considerations, the receipt of which is hereby acknowledged:

1. Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer, and set over, unto Assignee, its successors and assigns the entire right, title and interest in and to the Know-How and each and all of the Patents, including without limitation of generality, any and all choses in action and any and all claims and demands, both at law and in equity, that Assignor has or may have for damages or profits accrued or to accrue on account of the infringement of any of the Patents, the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made.

2. Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer, and set over, unto Assignee, its successors and assigns all of Assignor's rights relating to Know-How under all Employment Agreements between Assignor or its Affiliates and each of the Researchers (the "Employee Agreements"), but retains all other rights under the Employee Agreements. Assignor represents and warrants that all such Employment Agreements are identified in Schedule A attached hereto and made a part hereof and that copies of the relevant portions of all such Employee

Agreements, and any amendments, modifications, extensions and renewals thereof have been delivered to Assignee for Assignee's review.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be signed by its duly authorized officer and attested by its Secretary and its corporate seal to be affixed on this 16th day of January, 2002.

By: Ronald T. Riley
President

Attest: 
By: Kevin F. O'Neill
Secretary

STATE OF : Maryland
COUNTY OF : Baltimore

BE IT REMEMBERED, That on this 16th day of January, 2002, before me, the subscriber, a Notary Public of Maryland, personally appeared Kevin F. O'Neill, who being by me duly sworn did depose and make proof to my satisfaction that he well knows the corporate seal of the corporation named in and which executed the foregoing Assignment; that the seal thereto affixed is the proper corporate seal of the said corporation; that the same was so affixed thereto and the said Assignment signed and delivered by Ronald T. Riley, who was at the date of execution thereof President of said corporation, in the presence of the said deponent, as the voluntary act and deed of the said corporation, and that the said deponent thereupon signed the same as subscribing witness.

Subscribed and sworn before me at Timonium, Maryland, the date aforesaid.

CORAZON G. BRASWELL
Notary Public
